

Blue Berry Muffin

This song is dedicated to a sweet little pastry...

Blue Berry Muffin
oh please stay for a while
'cos I'm blue
and you're so berry
sugar darlin'
it's hard to resist you

Oh my lord
what have I done
I'm sittin' in the kitchen all alone
Blue Berry Muffin is all gone
I think he is in my stomach

And I got the blues
from that muffin
Hey Berry Muffin
I really, really really miss you!
